

# PACKING FOR COUNTRY KIDS

Isn't it ironic how family holidays can provoke such opposing emotions?

On the one hand, the prospect of spending a fantastic time all together "en famille", all that much needed bonding to look forward to ....and on that other fairly consequential hand.... the mere thought of preparing for it !

Anyone who has ever travelled with children, will agree that the most stressful part is the packing. For a full week before D-day, the family tiptoes around chief packer ....

Which is why we have designed your holiday at Country Kids to begin well before you even come.

## What you DON'T need to pack

**Nappies, wipes, baby soap, cotton wool pads, mosquito repellent, kids toothpaste, sunscreen....** We have it all

Apart from your child's favourite comforter, please don't bother filling your cases with **toys, games & books**; we have an abundance of all this waiting for you in your apartment, and at Crèche & Kids Club.

**FOOD !!** Apart from those just-in-cases for the journey, you'll find all you need once you're here - even **special dietary requirement goods** such as gluten free, dairy-free, etc. We can also order anything extra for delivery within 24 hours.

**Armbands, floats, goggles** and anything else you can imagine needing for the pool, we have right here.

A large selection of **DVDs** for all ages are available at the bar.

## Need any of the following for babies ?

- § Proper wooden cots with appropriate bedding
- § Bedguards and safety-gates
- § Potties
- § Booster seats, high-chairs and steps
- § Baby monitors and baby lights
- § Bouncy chairs and play pens
- § Changing-tables and mats
- § Baby food mixers, sterilisers, bottle warmers
- § Plastic bibs, baby cups, kids cutlery, plates..

We've got it all - just ask us!

## Just leave room in your case for :

- § Your kids **favourite PJ's** for their Pijama party on Friday morning (you'll find out more when you get here!)
- § Their **sunhats or caps** - but don't worry if you forget as we always have spares. We even have gumboots just in case !
- § Everyone's **bathing costumes** for fun in our heated pool and **trainers** for potential picnics, pony-rides and other outdoor fun.

## And for you parents :

- § Those **books** you've been meaning to read (although we have masses here too).
- § **Trainers** if you plan on having a tennis lesson with our renowned coach Didier (**we provide rackets and balls**), or walking /cycling (**we provide bikes**) through the magnificent countryside around Country Kids
- § **Sunglasses...**

...and quite honestly, **that's about it !**

For info : twice during the week we'll encourage parents to have an evening out in one of our many local restaurants, leaving the kids with your **family's assigned babysitter**; the dresscode is pretty much "anything goes" down here, so you can be as casual or smart as you like.

Right... now breathe !
